STIPULATION AND ORDER FOR
EXTENSION OF TIME

Defendants' motion to dismiss is currently pending and oral argument is scheduled for that motion on January 9, 2024. In light of that, the parties believe it is best to focus their efforts on preparing for argument and addressing the threshold jurisdiction issues that are before the Court. Thus, there is good cause for, and the parties stipulate to a brief extension of the current deadlines set by the Court regarding initial disclosures and a joint status conference.

Subject to the Court's approval, the parties stipulate to and request the following:

1 1. The current deadline to file a Joint Status Report and serve initial disclosures is
2 extended until February 5, 2024.

3 Stipulated to and presented this 4th day of January, 2024.
